Thank you very much for everything on our big day. We had such an amazing time and felt the organisation was amazing, making us feel very relaxed. We'd like to say thank you to all the team, especially Alice and Georgie who really helped with the planning and helping the day run super smoothly. The venue is absolutely beautiful, with stunning views as well as 'the cow' which we loved! Being able to use every area of the venue meant our guests could relax in different places. We were so lucky with the weather and had the hottest and sunniest day we have had yet, thank you!

Overall, you have made our wedding day unforgettable and we cannot wait to return for our anniversary!

Just like to thank everyone who was involved in making our wedding such a great day. From our first meeting with Alice who was friendly, professional and made us feel relaxed and confident, to the end of the evening reception everything was perfect from start to finish. All our guests commented on how lovely the day was and how friendly the staff were too. We would like to say a BIG thank you to all at Cadbury house for one of the best days of our lives, one we will always remember.

Mr & Mrs Brace – 18th March 2017

Well after the madness & mayhem of the last few months, it was a massive relief (especially for Clare who did most of the running around) to finally arrive at our wedding day. Clare & I have both agreed, it was the perfect day & we wouldn't change a thing about it. I'm very happy that pretty much everyone who wanted to check in prior to the service, were able to do so, so thank your colleagues for that for me please.

The staff who attended to us throughout the day, the waiting & bar staff & especially Sue, looked after our every need & could not have been more helpful. Lots of people commented on how much they enjoyed the meal & the evening buffet, so again, please thank the chefs & kitchen staff for us. All in all, the perfect setting for the perfect day. I don't intend on having any other weddings personally but will be happy to recommend you & Cadbury House Hotel to anyone planning to get married.

Sincere thanks to you for all of your hard work on our behalf & for contributing to our memorable day.

Mr & Mrs Hayward – 12th March 2017

We will definitely recommend the venue and will be back for our anniversary for sure!

Mr & Mrs Mason – 10th March 2017

We were well looked after by yourself and the master of ceremonies all morning, and the conference room was brill. The ceremony and room looked exactly how we wanted them too and cannot fault that at all. Overall we did have a great day and we thank you for that!!

Mr & Mrs Cole – 4th March 2017

Just wanted to say a quick thank you to you and the team for all of your help with our wedding! We had a great day in the end and it all seemed to go quite smoothly. Thanks again for your help though, it was lovely to see you there on the day.

Mr & Mrs Savery – 3rd March 2017

Me and Shaunna can't thank yourself and staff enough for such a lovely day.

Mr & Mrs Veale – 18th February 2017

Our day was truly magical and everything we have ever wanted

Mr & Mrs Ealey – 17th February 2017

Thank you so much for all of your help in getting us down the aisle.

We booked our wedding through Cadbury House last year and we are so glad we did. Their staff were very helpful every step of the way. They walked us through all of the details to make sure everything was organised in plenty of time. Their master of ceremonies helped us through the whole day, was willing to run errands to make sure we had everything we needed and helped to make the whole day magical.

We couldn't be happier with all of the staff. Everyone was really happy and willing to help the wedding party and guests. They laid the wedding breakfast out perfectly with every little detail taken care of.

We are so happy with how everything went even down to the beautiful weather for mid February.

We couldn't give any higher praise to the hotel and staff. Thank you Cadbury house for everything you did to help make our wedding such a success.

Mr & Mrs Heath – 12th February 2017

Me and Darren both want to say we had an absolutely amazing wedding, and thank you to all the staff that worked hard to make it special for us.

we have had a truly amazing experience, Alice you were easy to contact and quick to answer any queries we had and on the day George was a great help, I was a bag of nerves and he was very patient and friendly.

Mr & Mrs Targett – 11th February 2017

We had a fantastic wedding day and want to pass on our thanks to all the team at Cadbury House, especially Alice who assisted us in the run up and Sue who was our coordinator on the day. My parents and bridesmaids all commented how organised she was and I really appreciated her sorting out an alternative cake stand at the last minute as the top tier of our fruit cake was too heavy for the stand we brought! The whole process was a lot more stress-free than I expected from hearing about friends' recent weddings and a lot of that was because we were able to leave all the room set up and logistics to you all, so that really was a big help.

Mr & Mrs Fall – 5th February 2017

Well the wedding day was brilliant we were well looked after by sue all day. All of my guests were very pleased with the venue and the hospitality of the staff.

Mr & Mrs Cox – 28th January 2017

Thanks again for all your help throughout the wedding preparations.

Mr & Mrs Snailham – 27th August 2016

Thank you helping to organise yesterday the weather held off for us to get married outside!!
Your help was much appreciated.

Mr & Mrs Saunders – 25th August 2016

From start to end I couldn't have asked for anything more, the service was incredible!

Alice has been the nicest, most patient wedding planner any couple could ask for. I must have sent her at least 50 emails in the space of 3 months and she answered every one with detail and kindness and constantly made me feel like nothing was too much trouble.

When we booked everyone was amazing still.

On the day life was a little difficult at points being that my parents are acrimoniously divorced and that my husband's grandmother had only gotten out of hospital the day before. Everyone who worked on our wedding couldn't have been more amazing. They made sure my parents were as far away from each other as possible. They even got a wheelchair to help get my husband's grandmother to the car when she was really tired too. They weren't asked for these things they just did them. A sign of great service.

The food was fantastic, everyone said so. That's both the evening and the day time food. The service of all the waiting staff was so genuine and we chatted to them. Every time someone came past they asked if there was anything they could do to help, it was brilliant.

The next morning they even set up breakfast for all of my guests that stayed over, it was the perfect end to the event.

I'd highly recommend the hotel for any wedding.

Mr & Mrs Ridge – 20th August 2016

Just want to say thank you so much for making my day run so smoothly the team was absolutely fantastic keeping me up to date and organising everything. I didn't have to do a thing it was so wonderful.

Mr & Mrs Gillard (Parents of Bride) – 6th August 2016

As mother and father of Alison we would just like to say a huge thank you to all the team at Double Tree for making what could be a stress full day into one of the best experiences of our lives. Nothing was too much trouble, organisation was spot on, food excellent, and every guest said what a lovely, happy day they had. Alison and Chris were so relaxed it just radiated to everyone else.

We wouldn't hesitate to come to you again. Also a special thank you to Alex for her hard work on the day.

Would not hesitate to recommend you and your team.

Mr & Mrs Francombe – 6th August 2016

Thank you ever so much for a fantastic day on Saturday. Alex was fantastic and helped make everything smooth for our day.

We would like to thank you both ever so much for helping us organise a fantastic day for our wedding with you. Everything went smoothly and everyone had a brilliant time celebrating with us.

You both helped make what could be a very stress full day into one of the best experiences of our lives. Nothing was too much trouble, organisation was spot on, food excellent, and every guest said what a lovely, happy day they had. We had excellent communication with all staff before and during the day which helped relive any stress.

Alice - you were always so helpful when discussing the arrangements with us, and made us confident that our day would run smoothly.

We wouldn't hesitate to come to you again. Also a special thank you to Alex for her hard work on the day.

Would not hesitate to recommend you and your team.

Once again, many thanks Alice and all the staff at Cadbury.

Mr & Mrs Wagstaff – 4th August 2016

Everything went without glitch and we loved every minute of the whole day. I have to say a special thank you to Alex for taking special care of my Dad and having a "nothing is too much trouble" attitude to the entire day. She was a huge help...even assisting me to re-hook my nuisance strap God knows how many times.

Steph too was a great help and made sure everything ran smoothly.

Kiran also made our evening...kept guests dancing and made just the right amount of references to David (registrar got Dan's name wrong!!) To keep us all laughing.

Really couldn't have wished for a better day! Thank you!!

Mr & Mrs Hudson – 23rd July 2016

...

Mr & Mrs Williams – Return Anniversary stay June 2016

I would just like to say a big thank you again for sorting out our first year anniversary arrangements.

We had the best time and it was an absolute pleasure to visit again in the wonderful surroundings and to top it off the weather was amazing.

The Marco Pierre meal was fantastic. The hotel room was great especially the extra touch with the Happy Anniversary chocolate plate that was waiting for us.

We did manage to see the lovely Yvonne, and had a little chat with her. The staff were excellent as always.

Just like to say a big thank you to all your team for a perfect day. I knew we had made the correct choice from the very first visit.

Special praise to Sue for the way she looked after us and ensured an outstanding day was had by all, especially Dave and Sophie.

Nothing was too much trouble and every aspect was covered in such a sensitive and professional manner.

If we could do it all again I would change nothing.

Ahmed Wedding – 3rd April 2016

Our day was lovely, everything we wanted and more!

We wanted to drop all of you an email to express our thanks and appreciation for making our Wedding day so wonderful! We and all of our guests enjoyed everything about Cadbury House from the views to the service to the private breakfast in the Garden Room.

In particular, we would like to thank Alice for being so friendly, helpful, accommodating and not to mention very patient for waiting on delayed responses from two busy doctors! Out of all the venues I checked in and around Bristol prior to choosing Cadbury House, Alice is undoubtedly the best wedding coordinator and a testament to the organisation.

We would also like to thank Glyn for his patience and accommodation to all our needs. Again, his lovely manner is another reason why Cadbury House is head and shoulders above other venues.

Lastly a big thank you to all involved in our day. The service staff and kitchen staff were excellent.

We hope to see you all again in the future when the need arises and in the meantime will definitely pass on your recommendation far and wide!

Many Thanks once again

Mr & Mrs Gwynn – Saturday 2nd April 2016

We had such a wonderful day. We were really happy with absolutely everything and felt great and relaxed all day!

The Master of Ceremonies on the day and all of the staff were great, so friendly and kind and looked after us so well. During the speeches Jo went out of her way to watch all of the children so they didn't interrupt which we felt went above and beyond what she was there to do and that was so helpful. Sue the Master of Ceremonies was great too and we really loved having her there, the day went so smoothly thanks to her.

It's been great working with you on all of the planning too Alice, you've been really helpful, thank you so much!

Also, I am so relieved we didn't run away and do it abroad. It felt so right to be with people we love and that love us all day. It wouldn't have been right elsewhere. Maybe things happen for a reason!

Thanks again for being so great and please pass on thanks to all of the staff who helped on the day, as well as the man who found the Jacket we lost and was so helpful with helping us find it and posted it back to us (the south African man helping with luggage etc)

Mr & Mrs Baker – 27th March 2016

I just want to say a huge thank you for all your help with planning the wedding, it really was greatly appreciated and the day was just perfect. Staff were amazing too and so friendly!

Mr & Mrs Biggs – 19th March 2016

We had a fantastic day the Cadbury team made it very special.

We both wanted to say that both us and our guests were looked after marvellously on the day everyone was made to feel so special and the day was absolutely perfect, the room was beautiful the service was perfect and the food and wine amazing.

The whole team treated us as though we were part of their family and I have had so many compliments and feedback on their professionalism and how they responded to all needs.

I have found your support and that of Glyn and Tracey in advance of the day invaluable, sorting guest rooms making sure all the planning was done I just had a wonderful experience throughout, the taster evening was additional little touch which made us feel involved and special and is a really lovely evening.

Also the night before I had wonderful meal in the restaurant the food was exceptional and again the team had let the waiting staff know and I was really treated like a princess. I do not think I have ever felt so well looked after.

Susan made the whole day run extremely smoothly and being an organiser myself it was really liberating having everything taken care of so well so that I could just appreciate every second of what was a special day for both of us.

Gareth was wonderful at getting all of my many bags in and moved around and for doing his Sherlock Holmes bit to locate our lost property after the event.

We loved it so much we are already hoping to plan an anniversary stay with you and cannot recommend the venue and teams enough.

I do have a big box of chocolates and some cards which I will be dropping down for you and your teams to have a little treat.

Thank you again for everything my only wish is that I could do it all again this Saturday.

Mr & Mrs Nicholls – 12th March 2016

We loved every minute of our wedding so did our guest, thank you all very much.

It was an amazing day and everything was perfect, apart from our little ones and best man being unwell.

We also loved staying the day after having a meal in the restaurant the food was lovely, we loved staying on our own that much that we would like to book the same room again for our one year anniversary.

Many thanks for everything Alice.

Mr & Mrs Shepherd – 28th February 2016

Thank you very much, we had a fantastic day & it went perfect. I didn't want the day to end. Sue was brilliant all day, even helping to calm my mum down when she was getting stressed in the morning. I was also kept informed what was going on with the groom, which also gave me reassurance. The venue was perfect, the room looked fab and the food was amazing, everyone commented on the main course/chicken. Please pass our thanks to the chef and team and also the waiting team.

To top off the day you very kindly surprised us with the upgrade to the Loft Room, thank you it just completed the special day and we will be booking for our first anniversary.

Mrs and Mr Jaques – Saturday 28th March 2015

Our day was truly wonderful apart from the weather which could not be helped (Truly British), it was nice to be able to get some outside pictures in between the wet spells, and it meant I got to use my Duck umbrella.

Wendy was great and really did a fabulous job. There were two bar staff a young girl and lad which were so lovely and a credit to your team. All the day guest have mentioned how lovely the wedding breakfast was, which was so nice to hear. Wendy did a great job in making sure my bridesmaid whom was pregnant was well looked after and had plenty of fizzy pop instead of the alcohol version.

We had an amazing day and it was so lovely to have our wedding in style. It's not every day you get to the conga in a wedding dress and celebrate with your family and friends.

Also your team who set up the venue, laying petal, positioning all the props did a marvellous job and are very creative and made our day even more special!

Mr & Mrs Rudge's Wedding - 2013

Mr & Mrs Gamwell's Wedding - 2012

I would just like to thank all the staff who were involved with planning our wedding on Nov 4th 2012, we had the most perfect day. All our guests have commented on what a lovely venue it is and how nice the food was. Richard our Master of ceremonies was fantastic and made sure everything ran smoothly on the day, Sarah & Leigh were great at helping us with all the planning leading up to the wedding day, they responded to our emails with any questions that we had very quickly. I can't stop looking at our wedding photos and thinking how beautiful everything looked. Thankyou all once again.

Mr & Mrs Evans' Wedding - 2012

Cadbury House had such special memories for me before the big day, from my school 'prom' through to my Nan's birthday dinners and so I knew what a fantastic place it is, but you all went above and beyond on the day. From the planning through to the tasting and then on to the day itself, absolutely nothing has been too much trouble. The room looked spectacular, with all of the finishing touches displayed so well and it really had the 'wow factor'. I have had great comments from lots of the guests, in particular praising the food, both quality and quantity (not something you always hear about weddings, and no mean

feat when serving so many), as well as the friendliness of the staff. My cousins were also really touched with the prawn cocktail so thank you for agreeing to arrange that.

Aside from you both Leigh & Sarah, who were amazing, full of helpful suggestions and very patient..., please can you also pass on my thanks to the master of ceremonies Stuart, the DJ Chris, the waitresses/ers and the reception staff, in fact everyone who was involved.

Samantha Dean & Simon Gist Wedding - 2012

Thank you all so much for such a wonderful day, everything was just perfect and nothing too much trouble. We had an amazing day and night, and we just wanted to thank you all.

We will definitely be recommending Cadbury House to everyone we know.

Thanks again

Leanne and Pete Tanner's Wedding - 2012

The wedding day was perfect, weather was great and the staff were brilliant, Richard who performed the master of ceremonies role did an excellent job and looked after us very well , Please pass on our thanks to Richard he is an asset to your hotel. The food for the wedding breakfast was also perfect and all our guests commented on this.

Pam & Maurice Watton, Guests at Nicola & Lee Fowler's Wedding - 2012

We would like to thank everyone at Cadbury House for making the wedding of Nicola and Lee such a special and stress free day. The preparations before the day were handled expertly and thoroughly by Leigh who thought of details that would not have occurred to us. Sarah took charge of things when we arrived the day before the wedding, and we can honestly say that once we had handed over the seating plan and place cards everything was taken care of. We were able to enjoy a relaxing meal on the Friday evening and just had to get ourselves ready on Saturday morning.

All of the people delivering flowers, cake and chair covers were handled by the hotel on the day and the set up of the room for the ceremony and wedding breakfast was beautiful. Many of our guests commented on the lovely venue, which cannot be disputed but was enhanced by the way the room was decorated by staff at the hotel. We felt that Richard, the Master-of Ceremonies did a superbly professional job of organizing the day from start to finish and we cannot thank him enough. Somehow he managed to remain unobtrusive whilst ensuring that everything ran like clockwork and important details, like making sure the bride's dress was arranged perfectly as she arrived, were addressed.

The food during the day and evening was perfect, and there have been many compliments, especially about the beef option we chose (although the hog roast has also been widely commended)!

We would also like to thank the DJ for the evening, who catered for Nicola and Lee's choice of music and contributed to the lively atmosphere and enjoyment of the evening. It was great to see so many of our guests up on the dance floor as it confirmed that everyone was having a good time. At the end of the evening after we had gone to bed, gifts were packaged up for us so that there was no worry about losing things and even items that had been forgotten (like our grandson's favourite toy dinosaur) were found and ready to be collected the next day. There were obviously many staff involved in our day that we did not meet that we would like to thank. In our opinion Cadbury House is totally professional when

arranging wedding but manages to combine this with a personal service that would be hard to beat.

All in all, this was absolutely the wedding we had hoped for and we can't thank everyone at Cadbury House enough. Nicola and Lee summed things up when they said they would like to put the clock back so that they could do it all again!

Many, many thanks to you all.

Mr & Mrs Moore's Wedding - 2012

I do need to say a huge thanks you to all for an amazing day. I would like to thank you all so much for all your help in making mine and Gary's day so lovely. From start to finish it was amazing. Leigh, you were so good in planning it and Richard was fantastic on the day. Both so organised & so dedicated. I really can't find one fault... was truly amazing!! I would recommend anyone who is getting married to think about Cadbury house.

Mr & Mrs Shepherd's Wedding - 2012

My wife and I would like to thank you for absolutely everything you have done for us over the past year. Other people have told us that planning a wedding is a stressful affair but I can whole heartily reject that claim. Cadbury House and Leigh, you in particular made it almost stress free. Nothing was too much trouble even down to popping and seeing us before you went home on our wedding day. Naomi and I didn't just feel like customers we felt like friends. Phone calls and emails were responded to at the earliest possible opportunity.

We attended a wedding fair at the hotel and were picked out of the 100's in attendance for a chat on how the wedding plans were going. Every need was attended to with great care and it made the whole experience more special for us. All our guests both day and evening have commented on the politeness and helpfulness of all the staff from the receptionists to the DJ. During our wedding breakfast I stopped all out guests to thank all the guys waiting on the tables as they had also been superb. I would recommend your hotel as a venue for any event and look forward to having the excuse to come back.

Thank you again for your help in making the first day of the rest of our lives so special.

Mr & Mrs Robinson's Wedding - 2012

We held our wedding reception at Cadbury House Hotel, Congresbury in late April 2012. From the onset of planning our wedding reception, nearly a year in advance we were very impressed with the wedding coordinators' efficient organisation (we had contact with three wedding coordinators, and anything new discussed had always been passed along to the others). On the day, everything went according to plan and they remembered even the smallest details that we had requested. The Great Room, where we had our reception looked simply elegant. The staff were courteous, obliging, efficient and nothing was too much trouble for them. The food was delicious and presented beautifully. The desserts were just divine (our compliments to the chef). All our guests said everything was just perfect. We would like to also mention that the staff at check-in were brilliant as well. Many of our guests stayed at the hotel and said how helpful the reception staff were and how amazing the rooms are. Having spent our wedding night in one of their loft suites (part of the package they offered) we couldn't agree more. The reception staff (so sorry we didn't get their names) went above the call of duty helping my mum (who has a disability and is too claustrophobic getting into a lift) throughout her stay! We would like to make a special mention of two wonderful people who were nothing short of exceptional; Leigh who was our

wedding coordinator throughout the whole process and Sarah our MC on the day. Leigh is one of the nicest people we got to know throughout the whole wedding planning process. We never once felt that we were pushed into making any decisions and always had fun at our meetings. Sarah was a fantastic MC on the day – she ensured that we had time to ourselves and kept checking on us to make sure we had been able to have food and drink and made sure the reception ran like clockwork. We were always greeted with smiles at Cadbury House, and having been there since the wedding we are still greeted with the same warm welcoming smiles. When we went to thank them about a month after the wedding, Leigh still remembered I have a nut allergy when she went to grab us a cookie – that is personal customer service at its best.

It is easy to think that organizing a wedding or reception at a venue which holds many weddings (as much as 3 a day sometimes) as they do, might result in it feeling a bit impersonal- however, it couldn't be further from that. On the day of our wedding there were three weddings including ours. Everything was organized so well that we didn't actually see any other wedding parties. We always felt like we were the most important people to them and everything from the organization through to the actual wedding reception felt very personal. It felt like we had the entire venue to ourselves on the day. In what was allegedly the wettest April in a 100 years Leigh even managed to organize the sun to come out in the afternoon ;). Thank you for making this day so incredibly special for us, our families and our guests and for being a joy to plan the wedding with. We have great memories not only of our wedding day but also planning the day with you and based on our own experience would recommend you with no reservations to any couples wanting to have their wedding at Cadbury House. A beautiful venue complimented by outstanding staff. Keep up the good work!

Lisa & Pete's Wedding – 2012

Just wanted to send an email to say thank you very much for all your help in organising our wedding! We had a fabulous day and I also want to give special thanks to Stuart our Master of Ceremonies who was brilliant and made me feel calm and kept everything flowing nicely!

Rosemary, Guest at Sarah & Mark's Wedding - 2012

Just to thank you so much for your entire efficient organisation. The day went like clockwork. The room looked beautiful, the food was delicious with plenty of scrumptious chocolate sauce for profiteroles - please thank the chef very much for us. All the staff were so obliging and I am sure everyone enjoyed the day particularly Sarah and Mark.

Thanks once again for making this day so special for us and remembering every detail requested.

Zena, Guest at Ben & Helen's Wedding - 2012

Well, the sun shone and all was well with the World! Can you please pass on our thanks to Stuart and the team for the sterling job they did for us on Sunday - everyone worked extremely hard and I have a feeling a couple of staff may not have turned up on the day so those present put in double the effort? The food was superb - and the vegetarian dish (which was unexpected to be honest) delicious - even Helen ate everything which is unheard of.

Thank you for making the day special for Ben and Helen and I hope people showed their gratitude in an appropriate fashion....

Jeremy & Caroline's Wedding - 2012

We just wanted to write to say a big thank you for to you & all your staff for helping everything to run so smoothly during our wedding on May 9th. We both had a fantastic day & it was lovely to be able to sit back & enjoy ourselves while your team professionally dealt with everything.

Thanks again!

Mr & Mrs Whitwell, Guests at The Wedding of The Whitwell's - 2012

On 6 June, I had the privilege of being 'Father of the Groom' at the marriage of our son, and the subsequent reception, both of which were held at your hotel. May I state, that from 'check-in' to 'check-out' the next day, how impressed we all were with the attention and professional approach of all staff with whom we had contact. The layout of the reception, the quality of food, and all other aspects, made it a memorable 24 hours.

There has been a very positive 'feedback' from wedding guests, and this made the day even more pleasurable. I would be grateful if the contents of this e-mail could be made known to all staff concerned.

Liz's Wedding – 2012

I just wanted to drop you an email to say a massive thank you for all you did in helping us arrange our wedding a couple of weeks ago. We had a brilliant time! Sarah and her team laid out the room brilliantly and it looked amazing - also the whole afternoon and evening flowed seamlessly, even when I told her that we had an extra special diet. Also several of our guests commented on how good the service was from the staff. Also, please do send our thanks and compliments to the kitchen - the food was amazing, I think ALL our guests have commented on how good it tasted, especially the cheesecake!

So, once again - please do send our thanks onto the people concerned.

Mike & Phillipa Goddard, Guests at Colin & Helen's Wedding – 2012

Just a short note to say thank you very much for all your hard work in making Helen & Colin's wedding on Saturday such a memorable occasion – everyone had a great time and the stress levels were kept to a minimum; I know that Phillipa (Helen's Mum) will be in contact but just wanted to take this opportunity to say thanks.

Also please pass on our thanks to all of the staff that helped to make the day run so smoothly.

Thanks again.

Adrian & Tracey's Wedding – 2012

Many many thanks, we had a wonderful day, everything on your part and the Hotel was excellent, everybody thoroughly enjoyed the experience and food.

All staff helpful and professional and if there is anything we can do to help you and your staff get appreciated let us know.

Many Thanks and Kind Regards

We will recommend you and your wonderful facilities.

Brian & Pauline Wheeler, Guests at Laura & Marks Wedding – 2012

I can't thank you, Colin and all the staff enough for your work leading up to the wedding, the outstanding attention we received on the day and your 'surprise' bottle in our room, a lovely touch. If I am to single out any one person on the day it would have to be Sarah. She was constantly available for the slightest request and could be seen all afternoon directing staff and proceedings from the main floor, a tremendous credit to Doubletree by Hilton Cadbury House Hotel . Obviously, overall, your contribution was undoubtedly the major factor in ' one of the best weddings we have ever been to' being the general comment from almost every guest. I cannot even hazard a guess at the bar takings but am pleased that I decided against a 'free' bar. Our grateful thanks once again and we look forward to seeing you again in the very near future.
