Wedding Vendor Packages

The DoubleTree Beach Resort by Hilton strives to provide a stress free “One-Stop-Shopping” experience for your wedding day. The high standards we set for ourselves are reflected in the vendors we associate with and refer.

The wedding professionals selected, will work individually with you to customize a package to match your personal style and taste. Additional items may be added directly with each vendor to provide everything you need for your perfect day. Payments for additional items or upgrades are to be paid to the vendor directly.

The final selection of each wedding professional is the choice of the client. We strive to select a vendor which reflects the style and personality you are looking to present for your event. Please let us know at any time you would like to request a different professional to assist with your wedding details.

Wedding services listed in the “Vendor Packages” are provided by independent, privately owned companies and are not part of the DoubleTree Beach Resort by Hilton. Goods and services provided by vendors are the sole responsibility of the contracting company.
