Whether you are visiting for business at North Carolina State University (two blocks), the Research Triangle Park (eight miles), the new Raleigh Convention Center and Downtown Business District (1.5 miles), or you're here for a leisurely stay to attend an event at the RBC Center, Time Warner Pavilion at Walnut Creek, Progress Energy Center for the Performing Arts, State Fairgrounds, or a visit to one of our three museums in downtown Raleigh (Art, Science, History), we can offer you the best balance of location, convenience, and value.

With features like a new, modern spacious lobby, brand new guestrooms for 2012, a new restaurant and bar and all new fitness center by Precor along with an expanded business center, we have everything you need to insure a pleasant and productive stay. Best of all, you can walk to more than 20 different restaurants and nearly 100 shops at Cameron Village (a historic, upscale, outdoor walking mall), ride the train, paddleboats or play on the playground at the all new Pullen Park or take advantage of all the businesses and restaurants on Hillsborough Street across from NC State University's campus-each of these is less than .5 miles from the hotel.

Come see why the all new Doubletree by Hilton Raleigh Brownstone-University is the best place to stay to be in the center of it all; and please don't forget that parking and Internet are always free!
